

# Newsletter

May-June 2008

Fellow Street Rod members Starting with May, we will send out a monthly news letter. We will try to inform you about what is going on for the next month and what happened in the previous month. If you know of any event of interest that you think the rest of the members would be interested in, please let Sherwin and or Vicky know and we will include it in the next issue. P.S. Insult your Cruise News for other shows & cruises, the ones in our Newsletter are what we recommend and are close, so you won't have a big gas bill at the end of the month. Be safe and enjoy you beautiful automobiles!

Our meetings are still at Kazbors on 39th Ave, the 2nd Thursday of each month. Meetings start at 7:00, come early to eat. Our Cruise-ins are the 2nd Saturday of each month from 6-9 p.m. at the Publix Shopping Center on 39th Ave. near I-75, Springhill Commons.

## At our monthly cruise-in

we will give door prizes drawn from the registrations. The ticket you will receive when you register. We feel this is the best way to work the door prizes.

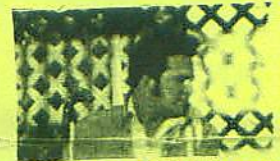

## Mays cruise-in

we had 50's-60's dress-up. Prizes were awarded to the 2 best dressed, picked by the rodders that were present. They were Jessey Heard and Diane Skelly. "Thanks" for dressing up to all who participated.

## Our Cruise-in Schedule

June 14th is our next cruise-in at Springhill Commons. We will have our big door prize night. "The Big Door Prize will be a GPS system. So tell all your car buddies to come and register, maybe they will know where they are going by winning the door prize. of the GPS.

July 12th is Trophy night. There will be 4 trophies awarded. The trophy winners will be picked by participants choice. Gainesville Street Rods will not be eligible as per usual. We want our visitors to come back and know that they have a great chance to go home with a trophy.

We need to get "together" and cruise like we did in the past. I know gas is getting to be a gas, but if we stay within a reasonable distance we can still hit a lot of shows "together".

## What happened in the past month?

### Old Town & Cairo Georgia

Some of the Gainesville Street Rods, cruised down to Old Town, Irving & Irene, Mike & Vickie, Helen & Me. The weather was perfect and a good time was had by all, you missed the fun.

**May 9th** we had a trip to Cairo Georgia. We rode, we ate, we rode, we ate, not necessarily in that order. They had a excellent Bar-B-Q dinner, then door prizes, lots of them, then a parade down town, then a street dance with live music. That was Friday night. Saturday morning, they fed us a good breakfast, then we went on a rally/poker run, then we had a snack, then we went to a car museum. Then we had lunch. Mike, Helen and I left early, we could not stay for the car show.

but Irving & Irene Young, who we went with and his grand daughter stayed. Nothing eventful on the trip. Up and back the Buick purred like a 455 should and guzzled it's share of petrol.

### More Cruising!

Saturday May 17th a.m. we went to Island Grove, for a nice little show, lots of shade and good Bar-B-Q. The cruisers were, Mike, Vickie, Irving, Curt, Charles, Sheryl & Jerry. Saturday evening the 17th of May, some of us went to the Huddle House in Jacksonville, no trophies, no door prizes but they still had a good turnout. Bob and LuAnn, Mike & Vicky & Irving & Irene, were among the group from the Street Rods. I think we had a good time and should do it again.
